

COMPANY PROFILE

PRAKASH ENGINEERING SERVICES is involved in the Business of Builder's Hardware since a decade. After getting tremendous response from the domestic market, now we are here to provide our vast product range to the International market with state-of-the-art quality control in our products.

Our product ranges includes Hinges, Tower Bolts, Latches, Gate Hook, Window adjusters, Glass Bracket, Aldrop etc. All the products are available in Brass, Lacquer, Satin Gold, Satin Nickle, Copper Antique, Chrome, Oxidized & customized finishes.

OUR SERVICES

Our Products are manufactured & designed to support your doors & windows in style. The high level of Quality and Precision with which they are manufactured insures the flawless operations of any door or window on which they are installed, making them the perfect compliment to PRAKASH ENGINEERING SERVICES'S state of the art product range. Our products are all manufactured from solid Brass Casted sections, providing higher degrees of strength and tolerance.

FINISHES

All the products are available in different types of finishes viz. Clear Lacquer, Polished Chrome, Satin Gold, Satin Nickle, Satin Chrome, Oxidized, Copper Antique etc.

Various combination of finishes can be seen in this Brochure itself.

PACKING

We understand that Packaging is the most important aspect while marketing. We have specialized in different kinds of packaging and have the distinction of satisfying our Customers by giving them packaging to their satisfaction.

Keeping in mind the International market, we hereby present you our products in Blister Packing. Available in various sizes and finishes.

We also provide you our product in Blister Packing accompanying the Screws.
